

STORY W06. DELETE

As a user

I want to delete users

so that I can delete my account and unused accounts can be removed

WIREFRAMES:

Delete user

Are you sure you want to delete user Jan Janssens (userid 0004, group Youth)?

ACCEPTANCE CRITERIA:

- From the overview page, I should be able to delete each individual user.
- Before deletion, a confirmation page is shown
- The confirmation page shows the data of the user that will be deleted
- Choosing 'No' returns the user overview with no changes
- Choosing 'Yes' removes the user from the database(userservice)
- After deletion, the overview is shown, without the deleted user.
